AMAN KUMAR MAURYA
FULL STACK WEB DEVELOPER

WORK EXPERIENCE

Analyst - Content Publisher

Wunderman Thompson, Gurugram, India
Sep 2023 - Jan 2024

- Managed and updated web content using Adobe Experience Manager (AEM), ensuring SEO best practices and performance optimization.
- Built responsive web pages, improving load speed by 15–20% and user engagement.
- Utilized Jira and Agile workflows to streamline content updates, reducing turnaround time by 30%.

Mathematics Instructor

Abhyas Coaching, Lucknow, India
Feb 2016 - Nov 2020

- Taught Mathematics and Quantitative Aptitude to 500+ students, boosting test scores by 20%.
- Designed problem-solving sessions and custom test series, improving pass rates by 15%, similar to optimizing DSA solutions.
- Conducted mentoring and doubt-clearing sessions, which strengthened my problem-solving skills for coding.
